(1) Shares acquired through cash exercise of stock options.

Each restricted stock unit represents a contingent right to receive one share of the issuer's common stock. The restricted stock units will fully vest one year from the applicable date of grant (but, in the case of restricted stock units granted prior to November 2007, the underlying shares of common stock will not be delivered until the earlier of three years after the date of grant or the reporting person's cessation of Board service).

(3) The options were originally granted for 5,000 shares of the issuer's common stock and were immediately exercisable for all of the underlying shares on the date of grant.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
