Item 1.01 Entry into Material Definitive Agreement.

On February 28, 2020, KLA Corporation (f/k/a KLA-Tencor Corporation) (“KLA”) issued \$750,000,000 aggregate principal amount of its 3.300% Senior Notes due 2050 (the “Notes”) pursuant to an indenture, dated as of November 6, 2014 (the “Indenture”), between KLA and Wells Fargo Bank, National Association, as trustee. The Notes were issued and sold in a public offering pursuant to KLA’s registration statement on Form S-3ASR (File No. 333-222827) (the “Registration Statement”), including the prospectus contained therein, filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended, a preliminary prospectus supplement dated February 19, 2020 and a related final prospectus supplement dated February 19, 2020.

The material terms of and conditions of the Notes are set forth in an Officer’s Certificate (the “Officer’s Certificate”).

The Notes bear interest at a rate of 3.300% per year and will mature on March 1, 2050. Interest on the Notes is payable on March 1 and September 1 of each year, beginning on September 1, 2020.

KLA may redeem an applicable series of Notes, in whole or in part, at any time or from time to time, at a redemption price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon that would be due if the Notes of such series matured on the applicable Par Call Date (as defined below) (exclusive of interest accrued to the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the then current Treasury Rate plus 20 basis points for the Notes, plus accrued and unpaid interest, if any, on the amount being redeemed to, but excluding, the date of redemption.

In addition, KLA may redeem any Notes on or after the applicable Par Call Date at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to, but excluding, the date of redemption. The Notes are unsecured and rank equally in right of payment with all of KLA’s other unsecured senior indebtedness.

“Par Call Date” means September 1, 2049 with respect to any Notes (six months prior to the maturity date of the Notes).

In addition, KLA may be required to repurchase the Notes upon the occurrence of a change of control triggering event, as set forth in the Indenture.

The Indenture contains limited affirmative and negative covenants of KLA. The negative covenants restrict the ability of KLA and certain of its subsidiaries to incur liens on principal property (as defined in the Indenture); to engage in sale and lease-back transactions with respect to any principal property; and the ability of KLA to consolidate, merge or convey, transfer or lease all or substantially all of its properties and assets.

The Indenture contains customary events of default, following the occurrence and continuance of which, the trustee or the holders of not less than 25% in aggregate principal amount of such series of Notes then outstanding may declare the principal of such series of Notes and any accrued and unpaid interest through the date of such declaration immediately due and payable.

KLA intends to use the net proceeds of the offering of the Notes to redeem \$500 million in aggregate principal amount of its outstanding 4.125% Senior Notes due 2021, and the remaining net proceeds for general corporate purposes, which may include the repayment of amounts outstanding under its existing credit agreement.

The foregoing description of certain terms of the Indenture, the Officer’s Certificate and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture, which is filed as Exhibit 4.1 to KLA’s Current Report on Form 8-K filed on November 7, 2014 and is incorporated herein by reference, and the Officer’s Certificate, the form of the Notes which are filed with this report as Exhibits 4.2 and 4.3, respectively.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is incorporated herein by reference.

Item 8.01 Other Events.

Wilson Sonsini Goodrich & Rosati, Professional Corporation, counsel to KLA, has issued an opinion to KLA dated February 28, 2020 regarding the legality of the Notes. A copy of the opinion is filed as Exhibit 5.1 hereto.

CERTIFICATE OF AUTHENTICATION

This is one of the Securities designated therein referred to in the within-mentioned Indenture.

Dated: February 28, 2020

WELLS FARGO BANK,
NATIONAL ASSOCIATION, *as*
Trustee

By: _____
Authorized Signatory

This Security is one of a duly authorized issue of securities of the Company (herein called the “**Securities**”), issued and to be issued in one or more series under an Indenture, dated as of November 6, 2014 (herein called the “**Indenture**”, which term shall have the meaning assigned to it in such instrument), between the Company and Wells Fargo Bank, National Association, as Trustee (herein called the “**Trustee**”, which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$750,000,000.

1. Interest.

The Company promises to pay interest on the principal amount of this Security at the rate per annum described above.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

2. Paying Agent.

Initially, Wells Fargo Bank, National Association (the “**Trustee**”) will act as paying agent. The Company may change any paying agent without notice to the Holders.

3. Indenture; Defined Terms.

This Security is one of the 3.300% Senior Notes due 2050 established pursuant to an Officer’s Certificate dated February 28, 2020 and issued pursuant to Sections 102, 201 and 301 of the Indenture.

For purposes of this Security, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. To the extent the terms of the Indenture and this Security are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security may be registered and this Security may be exchanged as provided in the Indenture.

The Securities are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

5. Amendment; Supplement; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities at the time Outstanding, on behalf of the Holders of all the Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

6. Redemption.

The Company may at its option redeem the Securities, in whole or in part, at any time prior to their maturity on at least 30 but not more than 60 days' prior notice to each Holder of the Securities to be redeemed. Notice to the Holders and the Trustee shall be given as set forth in the Indenture.

The redemption price will be equal to the greater of:

- (1) 100% of the principal amount of the Securities to be redeemed or
- (2) the sum of the present values of the Remaining Scheduled Payments discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months), at a rate equal to the sum of the Treasury Rate plus 20 basis points, plus, in the case of each of clauses (1) and (2), accrued and unpaid interest to, but not including, the redemption date; *provided*, if the Company redeems the Securities on or after September 1, 2049 (the "**Par Call Date**"), then the redemption price for the Securities will equal 100% of the aggregate principal amount of the Securities to be redeemed, plus accrued and unpaid interest to, but not including, the redemption date.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Securities to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the Par Call Date.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations for such redemption date after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers, appointed by the Company.

“Reference Treasury Dealer” means Citigroup Global Markets Inc., J.P. Morgan Securities LLC and Wells Fargo Securities, LLC and their respective affiliates, their respective successors and one other nationally recognized investment banking firm that is a primary U.S. government securities dealer as selected by the Company. If any of the foregoing or their affiliates shall cease to be a primary U.S. government securities dealer in The City of New York (a **“Primary Treasury Dealer”**), the Company will substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and ask prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Securities to be redeemed, the remaining scheduled payments of principal of and interest on the Securities that would be due after the related redemption date but for the redemption (assuming maturity of such Securities on the Par Call Date). If that redemption date is not an Interest Payment Date with respect to the Securities subject to redemption, the amount of the next succeeding scheduled interest payment on the Securities will be reduced by the amount of interest accrued on the Securities to the redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolation (on a day count basis) of the interpolated Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

On and after the redemption date, interest will cease to accrue on the Securities or any portion thereof called for redemption, unless the Company defaults in the payment of the redemption price and accrued interest. On or before the redemption date, the Company will deposit with a paying agent or the Trustee money sufficient to pay the redemption price of, and

accrued interest on, the Securities to be redeemed on that date. Calculation of the redemption price will be made by the Company or on its behalf by such person as the Company may designate; *provided that* such calculation or the correctness thereof shall not be a duty or obligation of the Trustee.

7. Offer to Repurchase Upon Change of Control Triggering Event

Upon the occurrence of a Change of Control Triggering Event (as defined below) with respect to the Securities, unless the Company shall have exercised its right pursuant to Section 6 hereof to redeem the Securities, the Company will be required to make an offer to repurchase all or, at the Holder's option, any part (equal to \$2,000 or any integral multiple of \$1,000 in excess thereof), of each Holder's Securities pursuant to the offer described below (the "**Change of Control Offer**"). In the Change of Control Offer, the Company will be required to offer payment in cash equal to 101% of the aggregate principal amount of Securities repurchased plus accrued and unpaid interest, if any, on the Securities repurchased, to, but not including, the date of purchase (the "**Change of Control Payment**").

Within 30 days following any Change of Control Triggering Event with respect to the Securities, the Company will be required to give notice to Holders of the Securities, with a copy to the Trustee, describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Securities on the date specified in the notice, which date will be no earlier than 30 and no later than 60 days from the date such notice is given (the "**Change of Control Payment Date**"), pursuant to the procedures required by the Securities and described in such notice. The Company must comply with the requirements of applicable securities laws and regulations in connection with the repurchase of the Securities as a result of a Change of Control Triggering Event.

On the Change of Control Payment Date, the Company will be required, to the extent lawful, to:

- accept for payment the Securities or portions of the Securities properly tendered pursuant to the Change of Control Offer;
- deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of the Securities or portions of the Securities properly tendered; and
- deliver or cause to be delivered to the Trustee the Securities properly accepted together with an Officer's Certificate stating the aggregate principal amount of the Securities or portions of the Securities being purchased by the Company.

The Paying Agent will be required to promptly give, to each Holder who properly tendered Securities, the purchase price for the Securities, and the Trustee will be required to promptly authenticate and mail (or cause to be transferred by book entry) to each such Holder a new Security equal in principal amount to any unpurchased portion of the Securities surrendered, if any; *provided that* each new Security will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Securities properly tendered and not withdrawn under its offer. In the event that such third party terminates or otherwise fails to complete its offer, the Company will be required to make a Change of Control Offer treating the date of such termination or default as though it were the date of the Change of Control Triggering Event.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Securities as a result of a Change of Control Triggering Event. To the extent that the provision of any such securities laws or regulations conflicts with this Section 7, the Company will comply with those securities laws and regulations and will not be deemed to have breached the Company's obligations under this Section 7 by virtue of any such conflict. For purposes of this Section 7, the following terms will be applicable:

"Change of Control" means the occurrence of any one of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger, amalgamation, arrangement or consolidation), in one or a series of related transactions, of all or substantially all of the Company's properties or assets and those of its subsidiaries, taken as a whole, to one or more persons, other than to the Company or one of its subsidiaries; (2) the first day on which a majority of the members of the Board of Directors of the Company is not composed of Continuing Directors (as defined below); (3) the consummation of any transaction including, without limitation, any merger, amalgamation, arrangement or consolidation the result of which is that any person becomes the beneficial owner, directly or indirectly, of more than 50% of the Company's Voting Stock; (4) the Company consolidates with, or merges with or into, any person, or any person consolidates with, or merges with or into, the Company, in any such event pursuant to a transaction in which any of the outstanding Voting Stock of the Company or of such other person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Company's Voting Stock outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving person immediately after giving effect to such transaction; or (5) the adoption of a plan relating to the Company's liquidation or dissolution. For the purposes of this definition, "person" and "beneficial owner" have the meanings used in Section 13(d) of the Exchange Act.

"Change of Control Triggering Event" means the Securities cease to be rated Investment Grade by at least two of the three Rating Agencies on any date during the period (the **"Trigger Period"**) commencing on the date of the first public notice of the occurrence of a Change of Control or the Company's intention to effect a Change of Control and ending 60 days following consummation of such Change of Control (which Trigger Period will be extended following consummation of a Change of Control for so long as any of the Rating Agencies has publicly announced that it is considering a possible ratings change). Unless at least two of the three Rating Agencies are providing a rating for the Securities at the commencement of any Trigger Period, the Securities will be deemed to have ceased to be rated Investment Grade by at

least two of the three Rating Agencies during that Trigger Period. Notwithstanding the foregoing, no Change of Control Triggering Event will be deemed to have occurred in connection with any particular Change of Control unless and until such Change of Control has actually been consummated.

“**Continuing Directors**” means, as of any date of determination, any member of the Board of Directors of the Company who (1) was a member of the Board of Directors of the Company on the Issue Date; or (2) was nominated for election, elected or appointed to the Board of Directors of the Company with the approval of a majority of the Continuing Directors who were members of the Board of Directors of the Company at the time of such nomination, election or appointment (either by a specific vote or by approval by such directors of the Company’s proxy statement in which such member was named as a nominee for election as a director).

“**Fitch**” means Fitch Ratings, Inc., and its successors.

“**Investment Grade**” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s, BBB- (or the equivalent) by S&P or BBB- (or the equivalent) by Fitch, and the equivalent investment grade credit rating from any replacement Rating Agency or Rating Agencies selected by the Company.

“**Moody’s**” means Moody’s Investors Service, Inc., a subsidiary of Moody’s Corporation, and its successors.

Re: KLA Corporation – Issuance and sale of \$750,000,000 Aggregate Principal Amount of 3.300% Senior Notes due 2050

Ladies and Gentlemen:

We have acted as special counsel to KLA Corporation, a Delaware corporation (the “Company”), in connection with the filing by the Company with the Securities and Exchange Commission (the “Commission”) on February 2, 2018 of a registration statement on Form S-3ASR (the “Registration Statement”), under the Securities Act of 1933, as amended (the “Act”), that is automatically effective under the Act pursuant to Rule 462(e) promulgated thereunder. The Registration Statement relates to, among other things, the proposed issuance and sale, from time to time, by the Company of debt securities with an indeterminate amount as may at various times be issued at indeterminate prices, in reliance on Rule 456(b) and Rule 457(e) under the Act.

Under the Registration Statement, the Company has issued \$750,000,000 in aggregate principal amount of 3.300% Senior Notes due 2050 (the “Notes”) pursuant to an Indenture, dated as of November 6, 2014 (the “Indenture”), between the Company and Wells Fargo Bank, National Association, as trustee (the “Trustee”) and the Officer’s Certificate, dated as of February 28, 2020, delivered pursuant thereto. The Notes were sold pursuant to an Underwriting Agreement, February 19, 2020 (the “Underwriting Agreement”), between the Company and Citigroup Global Markets Inc., J.P. Morgan Securities LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters named in the Underwriting Agreement.

We have examined the Registration Statement, together with the exhibits thereto and the documents incorporated by reference therein; the base prospectus, dated February 1, 2018, together with the documents incorporated by reference therein, filed with the Registration Statement (the “Base Prospectus”); the preliminary prospectus supplement, dated February 19, 2020, together with the documents incorporated by reference therein, in the form filed with the Commission pursuant to Rule 424(b) of the Securities Act relating to the offering of the Notes; the final prospectus supplement, together with the documents incorporated by reference therein, dated February 19, 2020, in the form filed with Commission pursuant to Rule 424(b) of the Securities Act relating to the offering of the Notes (collectively with the Base Prospectus, the “Prospectus Supplement”); the Indenture; and the Notes. In addition, we have examined such other instruments, documents, certificates and records which we have deemed relevant and necessary for the basis of our opinion hereinafter expressed. In such examination, we have assumed (i) the authenticity of original documents and the genuineness of all signatures; (ii) the conformity to the originals of all documents submitted to us as copies; (iii) the truth, accuracy, and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed; (iv) the Underwriting Agreement has been duly authorized and validly executed and delivered by the parties thereto (other than the Company); (v) the legal capacity of all natural persons; and (vi) that the Trustee has the power, corporate or other, to enter into and perform its obligations under the Indenture and that the Indenture will be a valid and binding obligation of the

Trustee. As to any facts material to the opinions expressed herein that were not independently established or verified, we have relied upon oral or written statements and representations of officers and other representatives of the Company.

We express no opinion as to any matter relating to laws of any jurisdiction other than the federal laws of the United States of America, the General Corporation Law of the State of Delaware (the "DGCL"), and the laws of the State of New York, as such are in effect on the date hereof, and we have made no inquiry into, and we express no opinion as to, the statutes, regulations, treaties, common laws or other laws of any other nation, state or jurisdiction.

We express no opinion as to (i) the effect of any bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other similar laws relating to or affecting the rights of creditors generally, (ii) rights to indemnification and contribution which may be limited by applicable law or equitable principles, or (iii) the effect of general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, the effect of judicial discretion and the possible unavailability of specific performance, injunctive relief or other equitable relief, and limitations on rights of acceleration, whether considered in a proceeding in equity or at law.

On the basis of the foregoing and in reliance thereon and having regard for legal considerations which we deem relevant, and subject to the limitations and qualifications set forth herein, we advise you that in our opinion the Notes have been validly issued and constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, and the Notes are entitled to the benefits of the Indenture.

We hereby consent to the filing of this opinion as an exhibit to the above-referenced Registration Statement and to the use of our name wherever it appears in the Registration Statement, the Base Prospectus, the Prospectus Supplement, and in any amendment or supplement thereto. In giving such consent, we do not believe that we are "experts" within the meaning of such term as used in the Act or the rules and regulations of the Commission issued thereunder with respect to any part of the Registration Statement, including this opinion as an exhibit or otherwise.

Very truly yours,

/s/ Wilson Sonsini Goodrich & Rosati, P.C.
